POM-40. A joint resolution adopted by the Legislature of the State of California; to the Committee on Armed Services.

ASSEMBLY JOINT RESOLUTION No. 5

"Whereas, the state has endured billions of dollars in losses through a disproportionate share of federal Department of Defense facilities closures mandated by the federally appointed Base Closure and Realignment Commissions in 1988, 1991 and 1993; and

"Whereas, it has been documented that this state has suffered more than its share of economic devastation during the current worldwide economic recession, and is the last of the states to show signs of positive recovery; and

"Whereas, the state has sustained disasters, both natural and manmade, in recent years from earthquakes in the San Francisco and Los Angeles areas, fires in northern and southern California, and from riots in the greater Los Angeles area; and

"Whereas, Southern California, through its particular world preeminence in the technologies of earth and space travel, military defense systems, and interglobal communications has been the free world's guarantor of peace through strength of leadership; and

"Whereas, the Long Beach Naval Shipyard is being considered for closure as part of the military base closure and realignment process; and

"Whereas, built in 1943, the Long Beach Naval Shipyard is the Navy's primary surface ship repair facility on the west coast in addition to having the highest aircraft carrier usage of any public shipyard; and

"Whereas, the Long Beach Naval Shipyard is a large, full service facility that includes 347 acres, four industrial piers, two wharves, and three drydocks; and

"Whereas, the Long Beach Naval Shipyard represents approximately \$757,000,000 in total local spending and 10,100 jobs in the southern California region so that closing the shipyard would have a devastating impact on that area of the state; now, therefore, be it

Resolved by the Assembly and Senate of the State of California, jointly, That the Legislature hereby memorializes the President and the Congress of the United States to provide for the continued operation of the Long Beach Naval Shipyard as an essential facility and as an integral part of the southern California economy; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to the President and Vice President of the United States, to the Speaker of the House of Representatives, and to each Senator and Representative from California in the Congress of the United States."

U.S. NAVAL AIR STATION AT BRUNSWICK, ME.

"Whereas, the Department of the Navy has maintained a naval air station at Brunswick, Maine during World War II and continuously since 1951; and

"Whereas, the United States Naval Air Station at Brunswick has performed in an exemplary manner throughout its more than 4 decades of history; and

"Whereas, the United States Naval Air Station at Brunswick is one of the most up-to-date facilities available in the United States for long-range maritime patrol; and

"Whereas, the United States Naval Air Station at Brunswick is the only remaining operational naval air station in the northeast quadrant of the United States and the only military airfield in northern New England; and

"Whereas, on the entire east coast, only the United States Naval Air Station at Brunswick and Key West has been identified as having "strategic military value"; and

"Whereas, the United States Naval Air Station at Brunswick offers unencumbered air space, no encroachment problems and expansion capability to handle all 7 of the projected Atlantic Fleet VP squadrons with no additional military construction required; and

"Whereas, the State of Maine is firmly committed to actively supporting the continuation of the United States Naval Air Station at Brunswick; now therefore, be it

Resolved: That We, your Memorialists, respectfully recommend and urge the Congress of the United States to continue to operate, develop and diversify the United States Naval Air Station at Brunswick, Maine; and be it further

Resolved: That We further urge the Congress of the United States to take all necessary action to ensure that the United
